LETTER

February 4, 2005

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 202031

The subject application was allowed on November 9, 2004.

Applicant wishes to confirm the recent telephone discussions with the Examiner in which it was clarified that both of the Information Disclosure Statements as filed on July 15, 2003 and December 19, 2003, were in fact considered by the Examiner.

It is noted that both Information Disclosure Statements do appear on the docket of the file of the application.

Respectfully submitted,

Michael J. Striker
Attorney for Applicant
